

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Yavneh Primary School
Number of pupils in school	362
Proportion (%) of pupil premium eligible pupils	1.4%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2021-22 2022-23 2023-24
Date this statement was published	December 2021
Date on which it will be reviewed	December 2022
Statement authorised by	Mrs C Field
Pupil premium lead	Mrs N Wilson
Governor / Trustee lead	Mrs S Neale

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£6725
Recovery premium funding allocation this academic year	£435
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£7160

Part A: Pupil premium strategy plan – Statement of Intent

What are your ultimate objectives for your disadvantaged pupils?

For all PP pupils to play a full and successful part in the academic and wider school community. To achieve this, we aim:

- To ensure that all PP pupils participate in the academic and wider curriculum to the same extent as their peers
- To remove barriers to learning created by poverty, family circumstances and background
- To ensure that pupils are able to read and write fluently to enable them to access the breadth of curriculum.
- Enable pupils to look at their social and emotional wellbeing and to develop resilience.
- To ensure that PP pupils on average make increasingly good progress year on year (i.e. meet or exceed age related expectation each year and at the end of each key stage)

How does our current pupil premium strategy plan work towards achieving these objectives?

To achieve these objectives the school is adopting the tiered approach recommended by the EEF, which places the greatest focus on promoting high quality teaching.

We also aim to do this through:

- Providing all teachers with high quality CPD to ensure pupils have access to high quality teaching.
- Providing targeted intervention to address identified gaps.
- Ensuring children have access to the wider curriculum e.g access to residential trips, first hand experiences and enrichment activities such a sports club.
- Provide support for pupils social and emotional development .

What are the key principles of our strategy plan?

The strategy plan is based on the following principles:

- That we promote an ethos that promotes the school's motto of "Olam Chessed Yibaneh – A World Built on Kindness" for all, regardless of disadvantage or need.
- That the most effective method of addressing disadvantage is through a strong focus on ensuring there is high quality teaching learning and assessment , as advocated by the EEF.
- That providing high quality pastoral is essential to meet the social, emotional and mental health needs of all pupils.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	To ensure that there is no attainment gap across reading, writing and maths.
2	The small number of PP pupils on roll have lower levels of achievement than their peers and additional learning needs and need support to access the curriculum
3	To ensure that PP pupils feel they receive the same opportunities: - Access to the wider curriculum - enrichment opportunities such as music and sports - Access to education - school trips, swimming, uniform
4	80% PP pupils have newly separated parents so live between 2 houses. This results in low self-esteem, social anxiety and inconsistent support at home.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To continue to achieve high standards in reading, writing and maths and work towards ensuring there is no gap in attainment and progress between PP and non-PP pupils	<ul style="list-style-type: none"> Targeted teaching is personalised to the pupil's needs and is adapted where necessary to enable pupil to access curriculum and make progress. Pupils to read for pleasure. Teachers and teaching assistants receive high quality CPD, coaching and mentoring to deliver successful targeted teaching programmes alongside quality first teaching. QA observations, learning walks, work scrutiny, drop-ins and CPD to ensure that all pupils experience lessons that enable at least good progress to be made Pupil progress meetings show that PP pupils perform in line with non - PP pupils and strategies are in place to ensure PP pupils meet their targets Observations show that the targeted support delivered to pupils is effective and meeting their academic and social needs.

Ensure that all pupils experience a positive learning environment where all pupils feel challenged and confident to contribute and to ask questions.	Learning walks show effective use of behaviour for learning strategies and routines in line with whole school policy.
To work with pupils to build on and improve confidence and social behaviour.	Improved self esteem Pupils happy to talk to an adult at school about worried they may have and how to solve them.
Improve pupils resilience and their willingness to work independence.	Pupils produce more work independently.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 1200

Activity	Evidence that supports this approach	Challenge number(s) addressed
Training given to staff to ensure there is quality first teaching for all pupils and any gaps in attainment are bridged.	Evidence states that high quality teaching and effective professional development improves pupils outcomes. Assessment data shows no gap. Pupils feel supported with social challenges	1,2,3,4
CPD implemented to develop consistent high-quality teaching and behaviour for learning techniques in all lesson centred around Growth Mindset.	CPD to be based on the methodologies that are highlighted as most effective in wider literature e.g. Rodgers , Dweck (2006). This is further supported by the EEF Tool Kit which claims that effective behavioural management strategies have a benefit of significant improvement in learning i.e. +4 Months to learning	1,2,4
Regular assessments to identify underperforming pupils and to signpost interventions.	Pupil progress meetings show that PP pupils perform in line with non - PP pupils and strategies are in place to ensure PP pupils meet their targets	1, 2

Maths Mastery curriculum, Read Write Inc and Talk for Writing programme in place throughout the whole school	Pupils make progress in line with their peers	2
Training given to staff by mental health leads to support pupils emotional well - beings Heads Up programme	Observations show that the targeted support delivered to pupils is effective and meeting their emotional needs. Pupils confidently engage in Heads up activities and are observed using these strategies during work and play.	1 , 2

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 2680

Activity	Evidence that supports this approach	Challenge number(s) addressed
1:1 targeted teaching from TA's and teachers working on child's specific needs and targets	Data shows pupil is making progress Pupils reading daily so reading fluency and confidence improves.	1, 2, & 4
Touch Typing	Life skill is taught. Touch, type, read and spell programme and reading and spelling levels increase	1, 2 & 4

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 1500

Activity	Evidence that supports this approach	Challenge number(s) addressed
Provide high quality pastoral care including mentoring and support	Pupils confidence has increased and pupils have secure relationships with staff who can support them.	1 & 4

of vulnerable pupils by well being team		
Social Skills groups run weekly	Pupils well equipped to manage and regulate emotions . Pupils happy to talk about feels and find solutions to problems	1 & 4
Ensure that pupils can access full taught and extra curriculum - payments for school trips, resentials	Pupils gain more social and team building oppourtunities	3, 4
After school clubs - 1 per child per term	Pupils gain additional sports skills	3, 4

Total budgeted cost: £ 5380

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

This document only shows data for the 2 children who were in receipt of pupil premium grant before June 2021.

Each child was provided with additional 1:1 teaching from staff. This personalised learning meant that children received input in the areas of the curriculum most needed.

1 of the children was working at ARE throughout the academic year. 1 child was working slightly below but was able to access the age-related curriculum. Adult support was given to help the child understand maths concepts she was struggling to retain, she was heard read everyday and prompts and support were given for writing. This child was also given a laptop to enable her to access the curriculum at home and attended school daily during lockdown.
