

Online Safety Newsletter Spring 1

Setting Parental Controls

[The UK Safer Internet Centre has published a guide for parents](#) on using parental controls to keep your child safe. Parental controls are designed to help protect your child from inappropriate content whilst online, such as pornography, age restricted and any other inappropriate content. Please check your parental controls to help keep your child safe when online.

KidRex

This is a child friendly search engine designed specifically for young children taking their first steps on the internet. This search engine is child-safe and powered by Google.

Tell, Minimize, Report

We tell the children to tell, minimize report if something pops up on their screen that gives them the butterfly feeling.

This half term we will be celebrating Internet Safer Day. The theme this year is: **Inspiring Change? Making a difference, managing influence and navigating change online.**
